## BORIS THE SPIDER

A Journal of Duplicitous Doings, Raw Power, and Naked Greed

"Oh, what a tangled web we weave  
When first we practice to deceive."

---Sir Walter Scott---

13 Nov 96

### HAPPY THANKSGIVING!

And with those thoughts of roast turkey, comes the urge to start a new DIP game as "Boris IX" could be all over soon. So far we have Gunar, Gorham (haven't heard from him in months), Morrison (cancel that), Anderson, Wilson, and Hanna if a 7th is needed. If needed, let me know and include a country preference list

**STANDBY ALERT:** Rudy Zozda is again NMR so both his portfolios in "Boris IX" and "Boris X" are possibly up for grabs. If interested, submit orders for one, the other or both. Should the need arise, in case of multiple entries, Ma Nar will randomly choose the lucky (?) new player.

### BORIS'S BULLETIN BOARD

**THOUGHT FOR THE MONTH:** One of the effects of modern liberal Protestantism has been gradually to turn religion into poetry and therapy, to make truth vaguer and vaguer and more and more relative, to banish intellectual distinctions, to depend on feeling instead of thought, and gradually to come to believe that God has no power, that he cannot communicate with us, indeed has not done so, and that religion is our own sweet invention.

---Flannery O'Connor

Jack Shacklett ("Boris IX", "Boris X", DWTK) has a new e-mail address:  
jshack@obtel.com.

Jamie McQuinn is reviving the "Game of Veneri" we've run here a few times as "The Hunt". Words this time are: Presidential Candidates, Super Models, Cobblers, Genealogists, Floridians, Mensans (members of Mensa), Penguins, and Soccer Fans. If you have an answer too good not to share, contact him at the addresses on p 19.

### BOOS & KUDOS

This month's Madame Baldue Press Excellence Award goes John Butitta for his LIFTOFF press. Chalk another free issue up.

This month's Ma Nar Super-Sudsy Bomb is lobbed at John Bryden for "delay of game" in "Achilleus".

# PEACE FAILS! Brits Riot!

Spring 1989

IX

1995X

**CLEARWINE:** The Peace vote failed 3-1-1, the end of the war looms anyway. Austria has KIE and perhaps SPA in his pocket. NWY is his for the asking, leaving one or two centers for a win this year. BEL, HOL, are VEN possible, but not likely. 1911 could reap SWE, and DEN to complete the conquest. The English electorate is war-weary and about evenly split on whether to accept an armistice. The new Peace Now party is expected to gain a near majority of seats in Parliament. Several "Peace Rallies", sponsored by Catholic and Quaker organisations (and allegedly bankrolled by Austria) have been brutally put down by the Home Guard, fomenting the fall of the government of Prime Minister Zodda Thessalocratic Party and precipitating early elections.

## EMBASSY BEAT

# Riots in Italy!

Fall 1904

1996G

**MIRAS MOROCCO:** Mdm Osborne's new Government has been rudely greeted by the German Reich and their British stooge, who may have learned the errors of his ways with the loss of SWE. Meanwhile Emperor Jack's life expectancy continues to decrease at an accelerating rate while Turkish prospects just get better in the East. Who can stop the Sultan short of BER and Gibraltar? Perhaps it is this realization that has caused the recent paralysis in Italy--after Austria and Russia are devoured, surely Italia is next.

## EMBASSY BEAT

London: Her Majesty's government agreed to aid German efforts to end the conflict on the continent and is dispatching a British Expeditionary Force to the south of Belgium. The Royal Navy also called on Russia to stop harrasing the lost unit in St. Petersburg and agree to negotiations to end the conflict there before things get out of hand. It's bad enough the Italians and Turks and Austrians are squabbling amongst themselves without the true Royalty of Europe getting dragged into the fuss.

## BORIS WORLD PRESS REVIEW

Las Vegas Pirayune--Oddsmakers put Germany at 8-1 to win it all, while Turkey and England come in at 4-1 and 5-1. France is a distant 10-1. Italy is 12-1. Russia 20-1 and Austria at 200-1.

## PRESS:

In a the living room of Tully Bascombe's house, near the Castle, 2 men were standing and looking at a disheveled, long haired young man who was looking around with a slightly vague stare.

"He told the border guard that he was here on a secret mission for the United States of America to look for rockets" Tully Bascombe said, looking down at the the young man again with curiosity.

"Yeah, the dude at the embassy gave me 10 bucks to ride my bike down here and find some, like, space rockets, you know," said the young man with a snicker.

"Did you see any?" Dr Rokints, the older, professional looking gentleman, asked the young man.

"Wow, man, like there were big ones shooting right out of the castle, man. Like, FAR OUT" the young man replied, while making whooshing sounds and jabbing his right palm over his head "That embassy dude is going to be going to be pissed when he has to pay me the other 10 bucks for finding some. Uh, could I get, like, a wing or something to bring back with me?"

"What is your name, son?" asked Tully.

"Albert LaFontaine, but my friends call me Winky," said the young man "Like, Wow, those rockets are DYNAMITE, man. What a trip - where do you sign up for a ride?"

"Aren't you worried that it might be dangerous, young man?" asked Kokints.

"NO WAY, JOSE! I been on lots of worse trips, you know" said the young man.

"Well, Winky" said Kokints, rubbing his chin with his right hand "I've been looking for someone with your unique sense of adventure..."

#### PRESS: (CRETE)

Having taken a poll among my subjects one valiant knave has volunteered to sacrifice

himself in the name of "famine." I have reluctantly accepted this selfless offer from Corinth. This will, of course, lower my production of fine Corinthian leather for the American automobile industry. I shall carry on in the face of this adversity. Though we have lost a dear and trusted friend, we will be stronger for it. A memorial to our dear departed unit from Corinth will be placed on the island of Crete during a solemn ceremony attended by all who called Corinth a friend or colleague. Tomorrow is a day of mourning. All subjects will wear a black arm band. No pizza will be served. Pizza was his favorite food and it wouldn't be right to have others enjoying themselves while he suffers his fate. Long live the Corinthian! He is a guiding light to us all! And why are you still reading this drivel?
